

Enjoy an intimate stroll through Milwaukee one delicious taste at a time! Go behind the scenes to visit our favorite specialty shops and ethnic eateries. All of our guided tours include food samples that add up to a generous meal, along with stories about Milwaukee's rich immigrant history and the exceptional people who bring it to life.

**Neighborhood Restaurant Tours:** Our Brady Street, Historic Third Ward, RiverWalk/Old World Third Street and Village of Wauwatosa tours are each 1-mile walking routes that explore unique neighborhoods that are now districts filled with diverse eating opportunities. These tours allow attendees to sample a slice of downtown dining with a progressive meal. Rather than select just one restaurant to eat at, recipient selects one of our featured neighborhoods and we do the rest! On the tour we will sample 5 – 6 restaurants along the way. We also offer popular specialty tours, including the *Bloody Third Ward Bloody Mary Brunch*, *Ghoulish Gourmet Trick-or-Treat Dinner*, and *Christmas Around the World Dinner*.
